

For those interested in or already signed up for 5th Grade Band

Did you miss the display in May? Its NOT too late.

Welcome back to another exciting school year. **If you did not get to attend the instrument display held in May there will be a second opportunity to do so Thursday, August 24 from 5-7 p.m. at LGS.** There will be more information about this display evening given to students the first week of school. The instruments and supplies that were purchased/rented in May from H & H Music will be delivered at the beginning of the school year. Students will not be allowed to take their instruments home until they have been properly instructed on how to assemble and disassemble their instrument. There may be a few additional instrument care items that may need purchased as we get the year started. We will promptly get started with band lessons the week of August 28. We do not want any students to start the year off behind because of a lack of instrument, book, or supplies. Clarinets and saxophones will also need several reeds. I would start off with five “2” strength reeds. By the end of the year students should be using 2 ½ strength reeds. Around mid-September, I will order music books for all band students. They will be yours to pay for and keep. We will use them for all of 5th and 6th grade. I will let you know the exact amount you owe later, but they generally run \$10-\$15 depending on your child’s instrument. You may use any music store for purchases or repairs, but H & H Music visits our schools here in Robinson every week, and they will gladly pick-up and deliver things here. If you have any business to take care of with them, their phone number is 1-800-442-1313. Thanks you for showing your support for music in your child’s life.

Thanks,

Chris Jansen
