UNIT #2 DISTRICT UPDATES/ PUBLIC COMMENT:

There were comments from the general public concerning the new transportation facility.

County Board member, Jim Keller, asked if the Board had followed the Professional Section Act. Superintendent Quick said the Board had satisfied all of the requirements of this mandate. He said that an architect had been hired to do a 10 year Life/Safety Assessment for the District.

Jim Runyon asked the following questions:

- 1. Benefits Analysis**
- 2. Alternative Buildings**
- 3. Cost analysis of leasing buses**
- 4. Professional Section Act**
- 5. 10 year projection of number of school bus riders**
- 6. Maintenance and upkeep of new facility**

Superintendent said he would get the answers to these questions in the near future.

OLD BUSINESS:

The Board discussed the new architect renderings of the proposed transportation facility. Chad Brown, Building and Grounds Committee member, told the Board he sees four points that need to be addressed soon:

- 1. New Facility – Disappointment with Farnsworth Architect Firm – They did not send new facility plans that met the proposed cost that the Board is willing to spend. This option would place the facility on Unit #2 property and improve traffic flow.**
- 2. The Board should look at the Anderson Property on North Jackson Street. The Board was polled for interest on doing a walk through of the facility. Bill Sandiford will get the information to Mr. Quick on possible times and dates.**
- 3. A cost analysis should be done on what it would take to refurbish the building on South Jackson Street.**
- 4. Safe work place for our transportation employees. The Board was polled to have Mr. Quick inquire about temporary office buildings.**

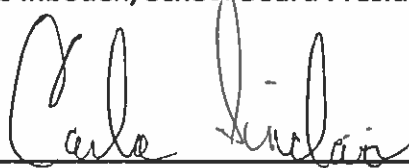

After much discussion, the Board decided that the request for bids for a new transportation facility should be on the agenda for the August meeting.

A motion to adjourn the meeting was made by Shew and seconded by Bachelor. Roll call vote: Yeas- Unanimous Vote. Nays – none. Motion carried. The meeting was adjourned at 7:10pm.

The next regular school board meeting will be held on Monday, August 20, 2018 at 4:30pm at the Central Office.
