

FIELD TRIP PERMISSION

REWARDS DAY PERMISSION

(Complete form, print form, and return to student's school)

Periodically teachers arrange a field trip away from school to enrich classroom activities. On occasion, a trip will be out-of-district. If such a trip is arranged, parents will be notified. Information sheets will be sent home notifying parents of the trip's destination, date, and time. In order for any student to attend a field trip, this permission slip must be signed. Restriction of participation will be based upon behavioral guidelines rather than academic achievement. If you object to your child attending the field trip, please notify the teacher in writing prior to the trip.

STUDENT NAME: _____

YES my child has permission for the field trip _____

No my child does not have permission for the field trip _____

Parent Signature _____
