2026-2027 ROBINSON ONLINE REGISTRATION

Online Registration for all students at Robinson schools begins July 30, 2026 through August 4, 2026. Parents who do not have access to a computer can call the schools to set up an appointment for computer usage.

To register, parents or guardians must first go to www.robinsonschools.com and log into "Skyward Family Access."

Before you begin your registration steps, please get your child's student ID number. You can find this information under Student Information on the left-hand side of the screen. Look at the 3rd line of information under your child's picture to find the Student ID number. This ID number is needed to complete the payment portion of online registration.

Parents may pay registration fees online using the website's link to RevTrak on the last step of registration or by taking the payments to the schools or to the CUSD#2 Central Office.

The Unit 2 website also includes information areas. Click on the 2026-2027 Online Registration Logo and proceed through each of the steps. These steps will include student handbooks, school supply lists, important documents, and much more. All can be downloaded and printed.

Parents of students new to Unit 2 schools are asked to call the schools for a registration appointment:
