

LGS 5th Grade Band

Welcome back to another exciting school year. The instruments and supplies that were purchased/rented in May from H & H Music will be delivered at the beginning of the school year. Students will not be allowed to take their instruments home until they have been properly instructed on how to assemble and disassemble their instrument. There may be a few additional instrument care items that may need purchased as we get the year started. We will promptly get started with band lessons the week of August 26. We do not want any students to start the year off behind because of a lack of instrument, book, or supplies. Clarinets and saxophones will also need several reeds. I would start off with five “2 or 2 ½” strength reeds. By the end of the year students should be using 2 ½ strength reeds. Around mid-September, I will order music books for all band students. They will be yours to pay for and keep. We will use them for all of 5th and 6th grade. I will let you know the exact amount you owe later, but they generally run \$10-\$20 depending on your child’s instrument. You may use any music store for purchases or repairs, but I have two stores that visit our schools here in Robinson every week, and they will gladly pick-up and deliver things here. The phone number for H & H Music out of Evansville is 1-800-442-1313. The number for Repeat Music out of Terre Haute is 812-917-3557. Thanks you for showing your support for music in your child’s life.

Thanks,

Chris Jansen
