Pick up after school will take place in the circle drive to ensure students' safety. You must wait in the car line on North Prairie Street. Placards with your student's name will need to be displayed in the car window for pick up time. These will be made available for you at your child's open house. **No one will be allowed to walk up to the school to pick up a student.** You must stay in your car in the line unless you have walked to the school.

If you are walking to the school to pick up your student, you must stand in the designated area. The designated area is at the northeast corner of the property on the sidewalk between the tennis parking lot and the staff parking lot. Teachers will bring students to that area when the buses have cleared the parking lot.
