Dear Washington School Families,

On behalf of the Washington Elementary School staff, I would like to extend you a welcome to our online registration. At Washington, we see families as our partners in education. When a strong connection and cooperative spirit exists between the home and the school, great things happen for children.

I encourage you to develop a working relationship with your child's teacher. The student planners which will be given to you during your open house are an integral part of our school-home communication system. These planners allow for daily written communication between school and home. You are also always welcome to contact the school by phone or e-mail as well. My e-mail address is [jstark@robinsonschools.com](mailto:jstark@robinsonschools.com) or you may reach me by phone at 544-2233.

Another important component of the school-home partnership is our annual Open House/Meet the Teacher events. Please feel free to bring your child along to meet his/her teacher. Also, please bring your child's supplies. You will receive information that will help you and your child have a successful year. You will also be able to make adjustments to transportation that night as well in the WES office. Please stop by the school anytime from 5:00 PM to 6:30 PM as there are no meetings or presentations the teachers will be doing at a set time. If you are new to Washington we highly encourage you to attend Open House. Open Houses will be held at the following times:

<b>Kindergarten</b>	<b>Wednesday, August 16<sup>th</sup> 5:00 – 6:30 PM</b>
<b>First Grade</b>	<b>Wednesday, August 16<sup>th</sup> 5:00 – 6:30 PM</b>
<b>Second Grade</b>	<b>Wednesday, August 16<sup>th</sup> 5:00 – 6:30 PM</b>

**\*\*Get-Set students will be mailed information about registration/orientation.**

**Class placements will be available by Monday afternoon, August 14th on your Skyward account.** Our first day of school will be Friday, August 18th, 2023 and will be a full day of attendance. Students will be dismissed at our regular time of 2:35 P.M.

It's been great to see so many of you this summer at so many community events and activities. I am looking forward to working with you this year. Enjoy the last few days of your children at home this summer!

Sincerely,

Jason Stark  
Principal
