

Placing A Hold On a Book

- There are links from Destiny on the Library Symbaloo page and the NMS Media Center website.

- Click “Log In” in the upper right hand corner of the screen.

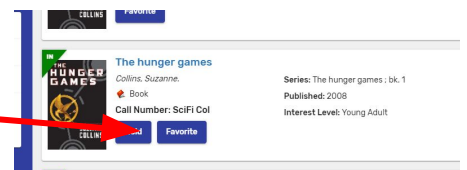

- Enter your username and password (should be the same as Google)

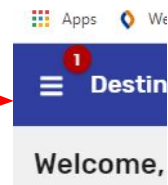

- You can search for books by title or by subject.

- When you find a book you would like to check out, click Hold

- You can check on your list of Holds, click on the 3 lines to see your account

- From this menu you can view the books you have checked out as well as any books you have on hold.
